## January - Wikipedia

Mon, 17 Sep 2018 21:32:00 GMT

January (in Latin, *Ianuarius*) is named after the Latin word for door (*ianua*), since January is the door to the year and an opening to new beginnings. The month is conventionally thought of as being named after Janus, the god of beginnings and transitions in Roman mythology, but according to ancient Roman farmers' almanacs Juno was the tutelary deity of the month.
